

Kaupapa-here | Interim Delegations Policy

Kupu Whakataki | Introduction

The journey of Te Pūkenga involves three stages:

- a) Stage 1 (initial transition): an entity with multiple subsidiaries
- b) Stage 2 (integration): an entity with multiple business divisions
- c) Stage 3 (transformation): being a unified entity with regional operations and a national organisational structure.

This Policy applies to stage 2 and will be replaced as stage 3 delegations are issued to support the implementation of the Operating Model. The stage 3 delegations will be confirmed as part of each tranche of the stage 3 implementation.

This Policy replaces the Delegations Policy of Te Pūkenga for central office dated May 2021. On adoption of this Policy, all sub-delegation letters issued by the Chief Executive (CE) between 1 April 2020 and the date of this Policy are hereby revoked.

Journey to date

Te Pūkenga – New Zealand Institute of Skills and Technology (**Te Pūkenga**) was established on 1 April 2020. At that time, all 16 existing Institutes of Technology and Polytechnics were converted into 100% subsidiary companies of Te Pūkenga with a duration until close of 31 December 2022 or such earlier date as resolved by Te Pūkenga Council. Each subsidiary was governed by its own Board of Directors but was also required to seek Te Pūkenga Chief Executive approval in relation to Reserved Matters set out in their company constitutions; this included approval in relation to matters set out in any Operational and Financial Parameters Directions issued by Te Pūkenga.

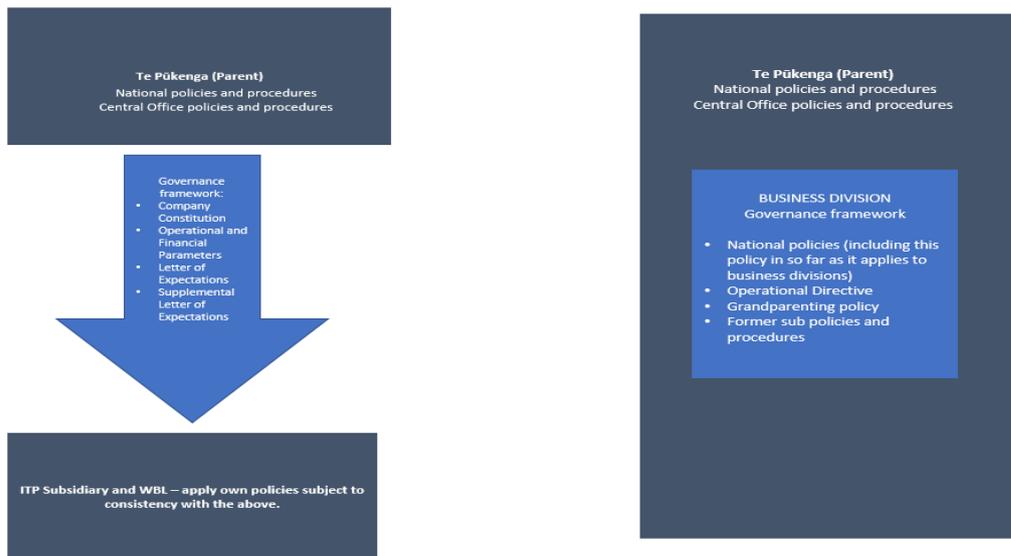

Te Pūkenga Council has dissolved all ITP Subsidiaries with the last tranche dissolved on 31 October 2022. From dissolution, the operations of these entities are carried out through Business Divisions of Te Pūkenga.

IMPORTANT NOTE: For each Business Division, and in accordance with the Grandparenting Policy, the policies and procedures of the former ITP Subsidiary continue to apply subject to:

- a) the terms of this Interim Delegations Policy (with particular regard to section 6 and Appendix 5);
- b) the ITP Integration Operational Directive.

The below represents the governance framework that applies at stage 1 on the left and stage 2 on the right. The stage 1 governance will continue to apply to Te Pūkenga Work Based Learning Limited until dissolved on 31 December 2022¹.

¹ An updated version of this interim delegations policy will be issued for 2023

Mō wai me te whānuitanga | Audience and scope

Kaupapa-here | Interim Delegations Policy

1. Pūtake | Purpose

The purpose of this Policy is to:

- a) reconfirm the delegations from Te Pūkenga Council to the Chief Executive;
- b) set out the scope of the delegated authority granted by the Chief Executive of Te Pūkenga to specified roles within Te Pūkenga Central Office;
- c) stipulate the matters that are for central decision making at Te Pūkenga (and which therefore override any conflicting provision in the delegation framework of a Business Division of Te Pūkenga).

2. Ngā Mātāpono | Principles

- 2.1. Pursuant to section 73 of the Crown Entities Act 2004, the Council delegates to the Chief Executive all management powers and functions necessary for the operation of Te Pūkenga, subject to the limitations set out in this Policy. This Policy does not delegate the general power of delegation and no functions or powers specified in the Education and Training Act 2020 as not capable of delegation are delegated under this Policy. Matters reserved for Te Pūkenga Council decision making are set out in Appendix 1.
- 2.2. The Council reconfirms the specified approval powers delegated to the Chairperson of the Council as set out in this Policy.
- 2.3. Pursuant to the section 74 of the Crown Entities Act 2004, the Chief Executive hereby delegates authority to specific roles in the manner set out in this Policy.
- 2.4. All delegates must act within the scope of their delegated authority as set out in this Policy and in a responsible manner.
- 2.5. The delegations set out in this Policy are standing delegations made in relation to positions within Te Pūkenga, rather than named individuals. If an individual moves from one position in the organisation to another position, the delegations relating to the initial position no longer apply to that individual.
- 2.6. A delegate is authorised to take any action or sign any document within their delegated authority but subject to:
 - a) any legal requirements and / or any applicable policies and procedures in relation to entry into the agreement / subject matter of the document (including adherence to conflicts of interest and procurement requirements);

b) the delegation being exercised within the limits of the relevant approved budget.

- 2.7. Except with the prior written approval of Te Pūkenga Council, neither the Chief Executive nor any sub-delegate may exercise any delegated authority in relation to a matter where he or she has a conflict of interest.
- 2.8. A delegate who acts outside of their delegated authority, or exercises that authority in a manner inconsistent with the requirements of clause 3.6 will be regarded as acting contrary to Te Pūkenga policy and may be in breach of their employment agreement.
- 2.9. Kaimahi who breach this policy will be subject to disciplinary action. Any intentional breach may also lead to criminal charges.

3. He tuku mana ki te Kaiwhakahaere Mātāmua | Delegations to the Chief Executive

- 3.1. The delegations to the Chief Executive are as set out in Appendix 2.

Power of Attorney

- 3.2. A power of attorney will be executed in favour of the person who holds the role of Chief Executive confirming that they may enter into a deed on behalf of Te Pūkenga (in accordance with sections 127(2) and 129 of the Crown Entity Act 2004) in relation to those matters that fall within the scope of his / her delegated authority²; unless a sub-delegate has been appointed as an attorney, it will not be entitled to enter into any deeds on behalf of Te Pūkenga.

Leave

- 3.3. When taking leave, the Chief Executive must make arrangements for his/her responsibilities, including the exercise of his/her delegated authority, to be carried out by a Tier 2 kaimahi in accordance with this Policy (or as otherwise consented to by the Council). By way of this Policy, the Council has given its standing consent to this sub-delegation, subject to the limitations set out in this Policy.

Uncertainty

- 3.4. In the event the Chief Executive is uncertain as to the scope of his/her/their delegated authority, he/her/they must discuss the matter with and take direction from the Chairperson of the Council prior to exercising the delegated authority and may, if the Chief Executive still considers it necessary after having discussed with the Chairperson, take appropriate legal or other advice prior to exercising the delegated authority.

Conflicts

- 3.5. Where this Policy conflicts with any laws or regulations or any decision made by the Council, the laws, regulations, or Council decision (as applicable) take precedence. Notwithstanding any

² **Note:** a power of attorney must also be granted to those sub-delegates who have authority to authorise the entry into transactions that are documented by Deed; this applies to each Business Division Lead and to the Chief Financial Officer (see relevant sections below).

delegation made to the Chief Executive or any sub-delegate, this Policy does not invalidate any decision made by the Council and does not restrict the Council's ability to make any decision.

4. He tuku mana ki te Pae 2 | Delegations to Tier 2

The Chief Executive hereby sub-delegates the functions and powers set out in Appendix 3 to Tier 2 roles appointed at Te Pūkenga.

5. He tuku mana ki te Pae 3 | Delegations to Tier 3

The Chief Executive hereby sub-delegates the functions and powers set out in Appendix 4 to Tier 3 roles appointed at Te Pūkenga.

6. Whakahaerenga Wāhanga Pakihi | Business Division Operations

6.1. Until a permanent Delegations Policy is adopted by Te Pūkenga Council, this Interim Delegations Policy, in conjunction with the Grandparenting Policy, requires that each Business Division of Te Pūkenga operate under its pre-existing delegation policies subject to the following qualifications:

- a) The thresholds set out in the Matters for Central Decision Making at Appendix 5³.
- b) The terms of the ITP Integration Operational Directive issued by Te Pūkenga to the Business Divisions;
- c) All contracts and agreements entered into by a Business Division from the date it becomes part of Te Pūkenga will be in the legal name of Te Pūkenga which is Te Pūkenga – New Zealand Institute of Skills and Technology. Until directed otherwise, the Business Division should use the trading name Te Pūkenga trading as [trading name of the former ITP].
- d) The approval of the relevant holder of delegated authority / committee of Council (as identified in Appendix 5) must be sought in relation to any Matter for Central Decision Making.
- e) Where pre-existing delegation policies refer to the 'Board' as the authority for approval, this should be read as requiring approval from Te Pūkenga Chief Executive where the matter is within his delegated authority or Te Pūkenga Council where Council approval is required.
- f) There is a strong principle of acting in good faith and no surprises. The purpose of Appendix 5 and the ITP Integration Operational Directive is two-fold:

³ As former ITP subsidiaries no longer exist as separate entities, there is no longer a Company Constitution and so the content of the Operational and Financial Parameters Directions (OFP) no longer applies in that form. Instead, the substance of the Financial Parameters and certain of the Operational Parameters listed in the former OFP and the Reserved Matters in the company constitution are now referred to as Matters for Central Decision Making and are listed in Appendix 4.

- i) ensure that decision making made by Business Division Leads aligns with strategic national goals of Te Pūkenga; and
- ii) ensure compliance by Te Pūkenga with its compliance obligations.

6.2. Each Business Division Lead will be responsible for ensuring that the pre-existing delegations policy is modified / applied to reflect the above and ensure processes are in place to monitor the application of the pre-existing delegations policy.
